"A special general meeting may be called by the Trustees at any time for the purpose of electing a Trustee or Trustees to fill any vacancy or vacancies among the Trustees, or for the purpose of discussing with the electors any matter or matters relating to the works or finances of the improvement district which in the opinion of the Trustees should be brought up at a general meeting.

"At least seven days' notice of every general meeting shall be given by notices posted up in at least three conspicuous public places in the improvement district. The said notices may be in Form 4 of Schedule A of the "Water Act, 1914."

"The electors present at a general meeting, except the one called pursuant to clause 10 hereof, shall appoint a chairman and secretary of the meeting.

"The secretary shall enter in a book provided by the Trustees for that purpose minutes of all matters brought before the meeting, including all resolutions proposed and the action taken thereon and all votes taken upon any matter. The persons entitled to vote at any general meeting shall be such as are British subjects, and are of the full age of twenty-one years, and are owners (as defined in section 172A of the "Water Act, 1914") of land within the territorial limits, or are the duly qualified agents of such owners, and are not of Chinese, Japanese, or other Asiatic or Indian race. EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall, in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with copies of the notices published. Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give

notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

DOMINION ORDERS IN COUNCIL.

P.C. No. 703.

CERTIFIED COPY OF A REPORT OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON 31ST MARCH, 1922.

THE Committee of the Privy Council have had before them a report, dated 22nd March, 1922, from the Minister of the Interior, submitting that by Order in Council of the 23rd September, 1921, authority was obtained, in view of the depression then existing in the live-stock industry, to accept for one year from the 1st October, 1921, rental at the rate of 2 cents per acre per annum from those holding grazing leases providing for rental at 4 cents per acre per annum, and covering lands in the Provinces of Manitoba, Alberta, and Saskatchewan, and in the Peace River Tract and the Railway Belt in the Province of British Columbia.

The Minister recommends, as the depression in the cattle industry still exists, that the period within which the reduced rental may be accepted be extended for such time as may be determined at the pleasure of the Minister of the Interior.

The Committee concur in the foregoing recommendation and submit the same for approval.

P.C. No. 854.

CERTIFIED COPY OF A REPORT OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 26TH APRIL, 1922.

THE Committee of the Privy Council have had before them a report, dated 7th April, 1922, from the Minister of the Interior, submitting that by Order in Council of the 11th November, 1915 (P.C. No. 2639), the surface rights of the "Isobel Fraction," "Cecil Fraction," "Chelmsford," "Lymington Fraction," "Wentworth Fraction," "Christobel," and "Marcia" Mineral Claims, in the Kamloops Division of Yale District, Province of British Columbia, were transferred under the terms of the agreement between the Dominion and the Province with reference to mineral lands in the Railway Belt and vested in His Majesty King George V. for the purposes of the Province of British Columbia.

The Minister further submits that the description of the surface rights of the "Christobel" and "Marcia" Mineral Claims as set forth in the above-mentioned Order in Council was based on a corrected survey which was subsequently abandoned and the original survey restored; further, that the description erroneously included in the transfer to the Province surface rights in parts of the South-west Quarter Section 12 and North-west Quarter Section 1, in Township 22, Range 21, west of the sixth meridian, previously disposed of.

The Minister therefore recommends that the description of the "Christobel" and "Marcia" Mineral Claims as contained in Order in Council of the 11th of November, 1915 (P.C. No. 2639), be deleted, and that in lieu thereof the following be substituted:—

Beginning at an iron post, pits, and stone mound marking the north-east corner of the North-west Quarter of the said Section One; thence southerly along the east boundary of the said north-west quarter section a distance of eight hundred and eighty feet and five-tenths of a foot, more or less; thence south sixteen degrees and four minutes east a distance of five hundred and fifty feet and four-tenths of a foot, more or less, to a wooden post in a stone mound; thence north seventy-three degrees and fifty six minutes east a distance of one thousand five hundred feet, more or less, to a wooden post in a stone mound; thence north sixteen degrees and four minutes west a distance of nine hundred and ninety-six feet, more or less, to a wooden post in a stone mound; thence north sixty-six degrees and forty minutes east a distance of two hundred and seven feet and three-tenths of a foot, more or less, to a wooden post in a stone mound marking the south-west corner of mining location nine hundred and fifty-nine as transferred to the Province of British Columbia by Order in Council dated the thirtieth day of November, one thousand nine hundred and nine; thence north twenty-three degrees and twenty minutes west along the south-westerly boundary of the said mining location a distance of one thousand five hundred feet, more or less, to a wooden post and stone mound marking the north-west corner of the said mining location; thence south sixty-six degrees and forty minutes west a distance of nine hundred and ninety-five feet and eight tenths of a foot, more or less, to the point of intersection with the east boundary of the South-west Quarter of the said Section Twelve; thence southerly along the said east boundary a distance of one thousand and twenty-eight feet and eight tenths of a foot, more or less, to the point of beginning; the said portions containing by admeasurement seventy-six acres and two-tenths of an acre, more or less; all the said bearings being astronomical; all according to a plan approved and confirmed by the Surveyor-General at Ottawa on the twenty-fourth day of August, one thousand nine hundred and sixteen, and of record in the Department of the Interior under number twenty-four thousand four hundred and twenty-five, a copy of which is hereto attached.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.
